

“Veterans Serving America”

Healthcare Support Services

www.tcassociates.com

Vision: As the value of information continues to increase, supporting infrastructures have become larger, more complex, and more interdependent. At the same time, unauthorized intrusions into computer systems and networks have become more frequent and more severe. These trends will require *TCAssociates* to continuously expand its knowledge and experience base in order to provide innovative solutions to maintain our competitive advantage.

Mission: To provide the highest quality National Security, Business Transformation, Healthcare, and Human Capital Management Services and Solutions to our customers at a competitive rate.

Overview: TCMP Health Services, LLC is a performance driven health care staffing and support services contractor. TCMP Health is committed to a strong customer focus of accountability and has been provide reputation for providing qualified medical and allied healthcare professionals worldwide. As a Service-Disabled Veteran -owned company, TCMP Health Services understands the level of expectation for meeting the varied healthcare support services contracts in state and federal government healthcare facilities. TCMP Health has proven ability to provide long-term, support services contract staff to meet a facility’s immediate staffing demands.

Methodology: To meet the intense competition for qualified healthcare support resources, TCMP Health has the requisite top-down corporate infrastructure to hire and retain professionals for the life for the contract. Our strategic recruiting abilities, worldwide presence and superior customer service reflect three of our core competencies that distinguish us from other support services companies. Whether a facility requires staff for individual vacancies, complete departments, or entire healthcare facilities, TCMP Health is dedicated to serving the needs of our clients at every level of our service delivery system.
