“VETERANS SERVING AMERICA”

As the value of information continues to increase, supporting infrastructures have become larger, more complex and more interdependent. At the same time, unauthorized intrusions into computer systems and networks become more frequent and more severe.

TCAssociates will be there to protect you.

DEVELOPMENT & CONSTRUCTION

TCAssociates provides services in the commercial, governmental, industrial, and multi-residential construction sectors. We work closely with architects, designers, engineers, construction professionals and trades on projects large and small to meet our growing list of clients' investment needs, often incorporating **Green** and Smart Building initiatives.

TCA FOODS

TCA Foods is a USDA PACA Licensed Fruits & Vegetables Distributor that supports the United States government in programs that provide food standardization, grading and market news services. TCA Foods works directly with agencies, such as the USDA's Agriculture Marketing Service (AMS). TCA Farms is designing and piloting Alternative Energy Powered Greenhouse Solutions.

ENGINEERING, TECHNOLOGY & SECURITY SERVICES

We specialize in the planning, designing, building and implementing of voice, data and video cabling, as well as network and telephony solutions. We also provide design/build technology services. Our Cyber Security Group specializes in CIP, Vulnerability Assessments of Systems, Networks and Facilities, provide all Phases of Certification & Accreditation (C&A), and assist customers in development of security policies. & training. programs.

TELECOM & IDENTITY & ACCESS MGT & CONTROL

TCA protects information systems and ensure data security through Cyber Security, Data Encryption, SCIF Options, Vulnerability/Risk Assessments, Forensic Audits, Strategy and Planning, and Incident Response. We also provide Critical Infrastructure Protections (CIP) Services and Solutions for Facilities and Data including Identity and Access Management (IAM) Services and Solutions as a GSA certified e-Authentication Services provider.

HEALTHCARE SERVICES & STAFFING

TCAssociates supports both Federal and Commercial health-care organizations in Health Information Management (HIM), Health Staffing, Revenue Cycle Management Support, Health Program Management, Electronic Health Record & Practice Management Solutions, Health Research & Policy Studies, and Tele-Health Solutions. We provide remote & onsite services.

BUSINESS SOLUTIONS & FINANCIAL SERVICES

TCAssociates provides IT systems design, development, testing, integration and modernization solutions, as well as Enterprise Resource Planning, Acquisition, Contracting & Logistics Solutions, and Loan and Mortgage Financing Services.

HUMAN CAPITAL MANAGEMENT

Our Local, State, Federal and Commercial clients are provided with staffing services including Doctors, Nurses, Lab Techs, Administrative Staff, Cleared Personnel, Financial Staffing Services and IT Professionals.

ALTERNATIVE & RENEWABLE ENERGY SOLUTIONS

TCA designs, installs, operates and maintains a variety of Alternative and Renewable Energy Solutions working with key industry partners for offering such solutions as single facility or complex Renewable Energy Solutions or designing and managing large scale 'Energy Farms or Plants' with Green, Alternative, and Renewable Energy Solutions such as: Solar Power, Wind Power, Hydrogen Fuel Cells, Bio-Fuels & Oils, Hydro-Electric Power, etc. We also provide all the facility power management systems to support these solutions for our customers with a focus on American Manufacturers as well. We help our Customers meet US Energy Act requirements and to help America move away from reliance on Foreign Oil and reliance on Fossil Fuels in general.
